

# “Tri Force Heroes”

This piece of fan art was created for a group art show based on video games. Being a fan of the original Legend of Zelda, created in 1986, I wanted to do a piece that more current. The Tri-Force Heroes game was created in 2015.

This piece features the three playable Links of Tri Force Heroes.

Tri Force Heroes (Original 40” x 30” – Acrylic on Brick Panel)
